The image shows the first two lines of musical notation for the song 'Hush, Little Baby'. The music is written on a treble clef staff in 4/4 time, with a key signature of two flats (Bb and F). The first line contains four measures of music with lyrics: 'Hush, lit-tle ba-by, don't say a word, Ma-ma's gon-na buy you a mock-ing-bird. And'. Above the staff, the chords Bb, F7, and Bb are indicated. The second line starts with a measure rest marked '5' and continues with three more measures: 'if that mock-ing - bird won't sing, Ma-ma's gon-na buy you a dia-mond ring.' Above the staff, the chords F7, F7, and Bb are indicated.

And if that mockingbird won't sing,
Mama's gonna buy you a diamond ring.

And if that diamond ring turns brass,
Mama's gonna buy you a looking glass.

And if that looking glass gets broke,
Mama's gonna buy you a billy goat.

And if that billy goat won't pull,
Mama's gonna buy you a cart and bull.

And if that cart and bull turn over,
Mama's going to buy you a dog named Rover.

And if that dog named Rover won't bark,
Mama's going to buy you a horse and cart.

And if that horse and cart fall down,
You'll still be the sweetest little baby in town.
