re-ason why I'm wear-ing it It's all for my true love who's far far a - way

Faretheewell cold winter, and faretheewell cold frost
Nothing have I gained, but my own true love I've lost
I'll sing and I'll be merry when occasion I do see
She's a false deluded young girl, let her go, farewell she

And all around my hat I will wear the green willow
And all around my hat, for a twelve month and a day
And if anyone should ask me the reason why I'm wearing it
It's all for my true love who's far far away

The other night she brought me a fine diamond ring
But she thought to have deprived me of a far better thing
But I being careful like lovers ought to be
She's a false deluded young girl, let her go, farewell she

And all around my hat I will wear the green willow
And all around my hat, for a twelve month and a day
And if anyone should ask me the reason why I'm wearing it
It's all for my true love who's far far away
